THANK YOU

Bon Appétit

Thank you so much for taking the time
to look at our Don't Starve food fanzine,
"Feast Your Eyes."

We'd like to take a moment to thank all
of our wonderful artists for being a part
of this project. Without their hard work
and dedication, this fanzine would
not be possible.

A big thank you also goes out to
Klei Entertainment, for creating one of
our favorite survival games. And of
course, to you, the fans, for all the love
and support shown over the years. Keep
your torches lit and bellies full as we begin
yet another exciting adventure in 2021!
